Development of Public Property [25515 - 25515.5]***(Article 7.5 added by Stats. 1983, Ch. 1136, Sec. 2.)***25515.**

The Legislature finds that counties are faced with critical revenue shortages and a need for additional revenue sources to provide basic and essential public services. The Legislature finds that counties own property which, if permitted to be developed by a joint venture agreement between private enterprise and commercial, industrial, and cultural uses, would provide a means to produce additional revenue sources for the benefit of the counties owning such property, and aid the economic well-being of the state generally.

The Legislature further finds that due to reductions in personnel or programs counties own or lease properties which are totally or partially vacant but which could be used by compatible private persons, firms or corporations through lease arrangements or joint venture developments which would generate revenue. Therefore, the Legislature finds that the provisions for residential, commercial, industrial, and cultural development of public property owned by counties constitutes a valid public purpose.

*(Added by Stats. 1983, Ch. 1136, Sec. 2.)***25515.1.**

(a) After complying with Section 65402 and Article 8 (commencing with Section 54220) of Chapter 5 of Part 1 of Division 2 of Title 5, in managing its real property acquired prior to January 1, 1984, a county may do any of the following:

(1) Sell, lease for a term not to exceed 99 years, or lease with an option to purchase for a term not to exceed 99 years, any of its real property to any person, partnership, corporation, or governmental entity the governing body selects for purposes of cultural, residential, commercial, or industrial use or development, subject to periodic review by the county, upon the terms and conditions determined by the board of supervisors.

(2) Participate as a principal party in the development of cultural, residential, commercial, or industrial uses or development thereof as a public works project.

(3) Contract for the management, marketing, operation, or leasing of its real property for purposes of cultural, residential, commercial, or industrial use or development.

(b) Prior to entering into any agreement pursuant to subdivision (a), the board of supervisors shall determine that the sale, lease, lease with option to purchase, development, or other contract will result in economic benefits to the county. If the proposed agreement is a lease, the board of supervisors shall also make both of the following determinations:

(1) That the public benefit of the proposed lease agreement is expected to be greater than the public benefit which would result from the sale of the property.

(2) That a reasonable expectation exists that future public need justifies retention of the fee ownership of the property.

If the property to be used or developed is adjacent to, or a portion of, real property which is, or will be, used for other governmental activities, the board of supervisors shall also determine that the agreement will not interfere with the use or development of the remaining public property.

(c) In managing any of its property acquired after January 1, 1984, and after complying with Section 65402 and Article 8 (commencing with Section 54220) of Chapter 5 of Part 1 of Division 2 of Title 5, a county may sell, lease, lease with option to purchase, develop, or otherwise dispose of that property in the manner set forth in this section. This subdivision is not applicable to any county property acquired through eminent domain proceedings.

(Amended by Stats. 1994, Ch. 939, Sec. 4. Effective September 28, 1994. Operative January 1, 1995, by Sec. 29 of Ch. 939.)

25515.2.

(a) Any sale, lease, lease with option to purchase, development, or contract agreement entered into pursuant to this article shall be authorized by an ordinance adopted by the board of supervisors. The ordinance shall be subject to referendum in the manner prescribed by law for ordinances of counties.

(b) Prior to adopting an ordinance authorizing a sale, lease, lease with option to purchase, development, or contract agreement the board of supervisors shall hold a public hearing. Notice of the time and place of the hearing shall be published pursuant to Section 6066 in one or more newspapers of general circulation within the county and shall be mailed to any person requesting special notice, to any present tenant of the public property, and to all owners of land adjoining the property.

(c) Any sale, lease, lease with option to purchase, development, or contract agreement shall be awarded after competitive bidding in the manner determined by the board of supervisors, or, if approved by a four-fifths vote of the board of supervisors, after a request for proposals.

(d) Any sale, lease, lease with option to purchase, development, or contract agreement awarded pursuant to competitive bidding shall be determined by the board of supervisors to meet all of the following criteria:

(1) Offers the greatest economic return to the county.

(2) Meets the residential, commercial, industrial, or cultural development needs of the county.

(e) Notice inviting the bids shall be published in the same manner as set forth in subdivision (g).

(f) For the purpose of receiving proposals, the board of supervisors shall, in a regular open meeting, adopt a resolution declaring its intention to consider the proposals. The resolution shall identify the site, shall specify whether the site is intended to be used for residential, commercial, industrial or cultural development or both, and shall fix a time not less than 60 days thereafter for a public meeting of the board of supervisors to be held at its regular place of meeting, at which meeting the board of supervisors shall receive all plans or proposals submitted.

(g) Notice of adoption of the resolution and the time and place of holding the meeting shall be given by publishing the resolution at least once a week for three weeks in a newspaper of general circulation published in the county in which the property is located. In addition, the board of supervisors may authorize the purchase of advertising space and may advertise the proposed transaction in those newspapers, magazines, and other periodicals that, in its judgment, will publicize the proposed transaction to those most likely to submit a proposal or bid.

(h) At the time and place fixed in the resolution the board of supervisors shall meet and open the bids or receive the plans and proposal. The plan or proposal as submitted or as revised by the board of supervisors shall be incorporated into the lease, lease with option to purchase, development, or contract agreement. The board of supervisors may reject any and all bids or plans and proposals submitted.

(Amended by Stats. 1994, Ch. 939, Sec. 5. Effective September 28, 1994. Operative January 1, 1995, by Sec. 29 of Ch. 939.)

25515.3.

The procedure prescribed by this article may be used by a county notwithstanding any other provision of law and without complying with any other provisions in conflict therewith. This procedure, which shall be an alternative to any other procedure provided by law, shall be applicable to public real property regardless of the manner in which the real property was acquired, the purposes for which the real property was acquired, or the uses, if any, previously made of the property.

(Added by Stats. 1983, Ch. 1136, Sec. 2.)

25515.4.

The provisions of this article shall not apply to tide and submerged lands granted in trust by the Legislature to a city, county, or a city and county.

(Added by Stats. 1983, Ch. 1136, Sec. 2.)

25515.5.

Nothing in this article shall amend, alter, or modify the duties of a county to comply with the provisions of a community redevelopment plan or an agreement with a community redevelopment agency with respect to property owned by a county within the boundaries of a community redevelopment project.

SUBJECT: Request to Approve Retroactive Grant Award

OC Waste & Recycling (OCWR) requests that the County Executive Officer place the subject grant award on the agenda for the October 28, 2025, Board of Supervisors meeting. OCWR also requests retroactive approval to accept the CalRecycle Tire-Derived Aggregate Grant Program Award.

The grant application was due on July 17, 2025, to the California Department of Resources Recycling and Recovery, branded as CalRecycle.

On September 12, 2025, CalRecycle notified OCWR that it would receive \$241,774.00 for landfill application and aggregate replacement projects such as leachate and gas collection systems, drainage layers, and leachate injection.

A staff oversight prevented OCWR from bringing this item to the Board within the Grant Policy's 30-day window.

County of Orange Report on Grant Applications/Awards

The Grants Report is a condensed list of grant requests by County Agencies/Departments that allows the Board of Supervisors to discuss and approve grant submittals in one motion at a Board meeting. County policy dictates that the Board of Supervisors must approve all grant applications prior to submittal to the grantor. This applies to grants of all amounts, as well as to new grants and those that have been received by the County for many years as part of an ongoing grant. Receipt of grants \$50,000 or less is delegated to the County Executive Officer. Grant awards greater than \$50,000 must be presented to the Board of Supervisors for receipt of funds. This report allows for better tracking of county grant requests, the success rate of our grants, and monitoring of County's grants activities. It also serves to inform Orange County's Sacramento and Washington, D.C. advocates of County grant activities involving the State or Federal Governments.

On October 28, 2025, the Board of Supervisors will consider the following actions:

RECOMMENDED ACTIONS

Approve grant applications/awards as proposed and other actions as recommended.

This memo is being submitted to request that the County Executive Officer place the subject grant application on the October 28, 2025, Board of Supervisors Meeting Agenda.

On September 22, 2025, the Department of Health Care Services (DHCS) notified the Health Care Agency (HCA) Behavioral Health Services of its eligibility for funding through the BH-CONNECT Access, Reform, and Outcomes Program, which supports county behavioral health agencies in enhancing access to care and strengthening service delivery systems.

This item is being brought forward for Board consideration to allow HCA to leverage available state resources that align with and further support existing system improvement activities. This request was due to the Board before October 22, 2025. We were unable to meet prior Board dates due to planning coordination with Department of Health Care Services (DHCS).

HCA is simultaneously submitting an eForm to receive approval to accept the funding.

If you have any questions about the Intergovernmental Transfer Agreement, please contact Ian Kemmer, Director of Behavioral Health Services, 714-834-2160.

Thank you for your consideration,

<p>The BH-CONNECT Access, Reform and Outcomes Incentive Program offers a transformative opportunity for Behavioral Health Services (BHS) to enhance care delivery, improve outcomes, and secure new funding streams. As part of California's broader BH-CONNECT initiative, this program incentivizes behavioral health plans (BHPs) —including mental health plans and Drug Medi-Cal Organized Delivery System (DMC-ODS) plans for achieving measurable improvements in access, quality, and system reform.</p>	

- Improved access to behavioral health services, including timely access to services, and increased utilization of community-based services and evidence-based practices (EBPs).
- Improved outcomes and quality of life among Medi-Cal members living with significant behavioral health needs.
- Targeted behavioral health delivery system reforms, including showing reductions in county-specific quality improvement gaps, improved data sharing, and improved crisis services capacity.

To participate in the Access, Reform, and Outcomes Incentive Program, a BHP must:

- Have completed the Targeted Managed Behavioral Healthcare Organization (MBHO) Self-Directed Assessment with the National Committee for Quality Assurance (NCQA).
- Have submitted a letter to DHCS stating its request to participate in the Access, Reform, and Outcomes Incentive.
- Submission 1 for the Access, Reform and Outcomes Incentive Program is a gap-filling plan related to the NCQA MBHO assessment participating BHPs.

The intent is to help BHPs prepare for NCQA MBHO re-assessments and other Incentive Program measures.

These funds do not support any one program, new or old. This incentive payment is to improve our quality and access infrastructure. It would be used to strengthen infrastructure that directly supports outcomes and/or activities and interventions across all behavioral health programs. BHS will benefit from this incentive by focusing on improved outcomes related to data sharing, focusing on outcomes and reducing any identified gaps in quality that may be identified through that process.

Advanced Clean Cars II (ACFII) was adopted in 2022 and dictates what percent of vehicles sold in California (CA) must be Zero Emission Vehicles (ZEV) or Plug-In Hybrid Electric Vehicles (PHEV) for each model year between 2026 and 2035. By 2035 all new passenger cars, trucks and SUVs sold in CA will be zero emissions. Additionally, the California Air Resource Board (CARB) passed the Advanced Clean Fleet (ACF) rule on April 28, 2023. The ACF rule applies to agency fleet vehicles that have a gross vehicle weight rating (GVWR) greater than 8,500lbs. The rule provided milestones to ensure applicable fleet vehicles are ZEV in the future. The ACF rule requires that state and local governments entities increase the percent of their affected fleet vehicles that are

ZEV. In an effort to meet these requirements OC Waste & Recycling (OCWR), has identified three solid waste disposal facilities in need of charging infrastructure. These facilities are Frank R. Bowerman Landfill, Olinda Alpha Landfill, and Prima Deshecha Landfill. These identified locations meet the eligibility for the INVEST CLEAN rebate-based incentives, that can offset the cost of eligible charging equipment that directly supports class 4 to 8 medium heavy duty (MHD) vehicles. Over the course of the next five years, from 2025 through 2030, OCWR will need to replace a minimum of 6 class 4 to 8 gas vehicles with electric vehicles. Applying for the INVEST CLEAN rebate incentives will provide partial reimbursement of the establishment of infrastructure to meet the charging infrastructure needed for these new vehicles.

GRANT RETROACTIVE MEMORANDUM

DATE: October 21, 2025

TO: County Executive Officer

FROM: Tom Koutroulis, Director, OC Waste & Recycling

RE: Tire-Derived Aggregate Grant Program

SUBJECT: Request to Approve Retroactive Grant Award

OC Waste & Recycling (OCWR) requests that the County Executive Officer place the subject grant award on the agenda for the October 28, 2025, Board of Supervisors meeting. OCWR also requests retroactive approval to accept the CalRecycle Tire-Derived Aggregate Grant Program Award.

The grant application was due on July 17, 2025, to the California Department of Resources Recycling and Recovery, branded as CalRecycle.

On September 12, 2025, CalRecycle notified OCWR that it would receive \$241,774.00 for landfill application and aggregate replacement projects such as leachate and gas collection systems, drainage layers, and leachate injection.

A technical error prevented OCWR from bringing this item to the Board within the Grant Policy's 30-day window.

<p>Between July of 2025 and July of 2027, Olinda Alpha Landfill plans to install about 30,000 feet of horizontal landfill gas lines. For this installation we would typically use about 216,000 cubic feet of gravel (about 11,500 tons). The gravel surrounds the perforated pipeline and allows landfill gas to pass through while acting as a protective barrier in preventing buried waste from entering the pipes. Olinda Alpha Landfill would like to consider using up to 4,500 tons of tire-derived aggregate (TDA) as a direct replacement for gravel. It is believed that it would allow landfill gas to pass through while weighing significantly less than gravel. The weight reduction may reduce or slow down landfill settlement, potentially extending the life of the horizontal gas line.</p>

RECOMMENDED ACTION(S):

1. Approve and execute the second amendment to lease agreement with Drawbridge Saint Andrew, LLC, a Delaware limited liability company, for approximately 99,589 rentable square feet of office space located at 1700 E. Saint Andrew Place in Santa Ana, for a term through December 31, 2042.
2. Authorize the Chief Real Estate Officer or designee to exercise option terms, execute subordination, non-disturbance and atonement agreements, estoppel certificates and execute subsequent documents or amendments, that make non-monetary and/or monetary changes that do not increase County costs or liability by more than \$75,000 per year, as approved by County Counsel.

SUMMARY:

Approval of the second amendment to lease agreement with Drawbridge Saint Andrew, LLC, a Delaware limited liability company, will expand the County's existing premises and co-locate various County

programs into 99,580 rentable square feet of office space at 1700 E. Saint Andrew Place in Santa Ana and accommodate occupancy by the Health Care Agency.

BACKGROUND INFORMATION:

On December 5, 2023, the Board of Supervisors (Board) approved a 15-year lease agreement (Lease) with Drawbridge Saint Andrew, LLC (Lessor) for approximately 70,462 rentable square feet (RSF) of office and warehouse space (Initial Premises) in the three-story 170,051 RSF building located at 1700 E. Saint Andrew Place in Santa Ana (Building), to relocate the Orange County Probation Department (Probation) Central Youth Reporting Center (CYRC) and house the training and volunteer services functions. On August 5, 2025, the County executed the First Amendment to Lease to amend and reflect amortization of the Pre-Lease Commencement Additional Allowance over the term and modify the application of abated rent in connection to the initial tenant improvements (First Amendment). The Lease commenced on January 1, 2025, and is set to expire on December 31, 2039 (Current Expiration Date).

CEO Real Estate is seeking Board approval to expand the Initial Premises into the remaining vacant space within the Building, adding 99,589 RSF (Expansion Premises) in multiple phases, to accommodate the Health Care Agency's (HCA) 17th Street clinic relocation and co-locate various County programs (Proposed Second Amendment). Under the Proposed Second Amendment, the County will pay rent at the same per square foot rate (RSF Rent), at three percent annual increases, and the Current Expiration Date will be extended through December 31, 2042 (New Term). County will not be responsible for any operating expense pass-throughs during the New Term except for utilities, janitorial and security expenses. The County will have the exclusive right, without additional charge, to use the entirety of the parking lot area, consisting of approximately six hundred fifty-six (656) parking spaces in total.

Lessor will complete tenant improvements to the Expansion Premises in accordance with Clause 13 (CONSTRUCTION) of the Lease and Exhibit J (Expansion Premises Work). Additionally, Lessor shall provide equivalent allowances to the Expansion Premises Work consistent with Clause 13 (CONSTRUCTION) including \$100 per RSF to be used toward construction improvements, \$25 per RSF moving allowance towards furniture, fixtures and equipment (FF&E), relocation costs, cabling and telecommunications with the ability to amortize up to an additional \$25 per RSF over the New Term at an interest rate of eight percent. Lessor will provide County with abated rent for the initial six months of the New Term (Abated Rent), for each phase of the Expansion Premises, with the ability to convert the Abated Rent towards FF&E, cabling and any other move-related expenses at County's sole discretion.

The Expansion Premises rent will commence on the first day of the first full calendar month following the final completion date for each phase of the Expansion Premises Work. The first phase of the Expansion Premises Work will be completed no earlier than November 1, 2026, and no later than January 1, 2027. The first phase will include space for HCA's use of no less than 59,017 RSF and not to exceed 75,000 RSF. The County will expand into the entirety of the Expansion Premises within 36 full calendar months following the Effective Date of the Proposed Second Amendment.

The Proposed Second Amendment maintains a right to terminate at the 120th month with at least 12 months prior written notice and a termination fee equal to the unamortized tenant improvements, abated rent and brokerage commissions calculated at a rate of eight percent. The Lease contains two successive five-year options to extend the term with advance notice at fair market value.

Lease Purchase Option

The County also maintains a right to purchase the Building at a fixed purchase price through May 31, 2029, consistent with the terms of the Lease. Thereafter, the County has the ongoing right of first offer to purchase the Building. Furthermore, County shall have the right to apply any unused allowances towards the purchase price of the Building. The purchase price is further highlighted below:

<u>Purchase Date</u>	<u>Price per RSF</u>	<u>Purchase Price</u>
Prior to 5/31/2025	\$450.00 starting fixed price	\$77,100,000
6/1/2025 - 5/31/2026	\$463.51	\$79,413,000
6/1/2026 - 5/31/2027	\$477.41	\$81,795,390
6/1/2027 - 5/31/2028	\$491.74	\$84,249,252
6/1/2028 - 5/31/2029	\$506.49	\$86,776,729

Compliance with CEQA: The proposed project was previously determined to be Categorical Exempt from CEQA pursuant to Section 15301 (Class 1) of the CEQA Guidelines, on December 5, 2023, when it was originally approved because it involves lease of an existing office facility by a governmental agency. The proposed project is still consistent with this determination.

FINANCIAL IMPACT:

Appropriations for this Proposed Second Amendment will be included in HCA's Budget Control 042 FY 2026-27 Budget, base rent not to exceed the RSF Rent costs for up to 75,000 RSF, and will be included in the budgeting process for future years. The Health Care Agency's Public Health funding is experiencing fluctuations currently. Should Public Health revenue not be sufficient to offset these costs, HCA will work with the County Budget & Finance Office to identify other appropriate funding. Appropriations for Probation's extended term will be included in the future budgeting process in Probation's 057 Budget Control.

The County maintains language whereby the County's obligation to pay rent is contingent upon the availability of County funds which are appropriated or allocated by County's Board of Supervisors.

COUNTY IMPROVEMENTS AND PERFORMANCE SPECIFICATIONS**

This Work Letter shall supplement the terms and conditions relating to the construction of the Work in the Expansion Premises as set forth in Clause 13 (CONSTRUCTION) of the Lease. If any conflict shall arise between this Exhibit C and the Lease, the terms and conditions of the Lease shall prevail. This Work Letter is essentially organized chronologically and addresses the issues of the construction, in sequence, as such issues will arise during the actual construction of the Premises. All references in this Work Letter to Clauses or Sections of “this Lease” or “the Lease” shall mean the relevant portion of Clauses 1 through 64 of the Lease to which this Work Letter is attached as Exhibit J and of which this Work Letter forms a part, and all references in this Work Letter to Sections of “this Work Letter” shall mean the relevant portion of Sections 1 through 8 of this Work Letter. Capitalized terms used herein and not otherwise defined shall have the meanings set forth in the Lease.

SECTION 1. - CONSTRUCTION DRAWINGS FOR THE EXPANSION PREMISES WORK

Space Plan. Lessor and its architect shall prepare the final space plan (collectively, the “**Final Space Plan**”) for construction of the certain improvements within the Expansion Premises (“**Expansion Premises Work**”), and shall deliver the Final Space Plan to County for County’s approval, such approval not to be unreasonably withheld, conditioned or delayed. County shall have five (5) business days to review and approve such Final Space Plan. If County does not approve the Final Space Plan in accordance with this Section, County shall provide reasons for said disapproval and allow Lessor ten (10) business days to provide the revised Final Space Plan taking into account County’s reasons for disapproval. Failure of County to reasonably disapprove any draft of the Final Space Plan within said five (5) business day period shall be deemed to constitute County’s approval thereof. This process shall be repeated until the Final Space Plan has been approved; it being agreed that County’s right to raise objections (following County’s initial objections to Lessor’s first submission of the Final Space Plan) shall be limited to (a) the revisions made to the previous submission of the Final Space Plan in order to address County’s prior objections or changes which are derivative of changes resulting from such prior objections and/or (b) revisions to design elements not previously a part of the Final Space Plan previously submitted to County.

Final Working Drawings. Lessor and its architect and engineers shall complete the architectural and engineering drawings for the Expansion Premises Work. The final architectural working drawings shall be in a form which is complete to allow subcontractors to bid on the Expansion Premises Work and to obtain all applicable permits (collectively, the “**Final Working Drawings**”) and shall submit the same to County for County’s approval, such approval not to be unreasonably withheld, conditioned or delayed. County shall approve or reasonably disapprove any draft of the Final Working Drawings within seven (7) business days after County’s receipt thereof; provided, however, that (i) County shall not be entitled to disapprove any portion, component or aspect of the Final Working Drawings which are consistent with the Final Space Plan unless (a) County agrees to pay for the additional cost (if any) resulting from such change in the Final Space Plan as part of the over-allowance amount pursuant to Section 2 below, and (b) County agrees that any such delays caused by such change(s) shall be deemed a delay caused by the County for all purposes of this Work Letter, Schedule 1 attached hereto and the Lease, and (ii) any disapproval of the Final Working Drawings by County shall be accompanied by a detailed written explanation of the reasons for County’s disapproval. Failure of County to reasonably disapprove any draft of the Final Working Drawings within

ATTACHMENT A

said seven (7) business day period shall be deemed to constitute County's approval thereof. This process shall be repeated until the Final Working Drawings have been approved; it being agreed that County's right to raise objections (following County's initial objections to Lessor's first submission of the Final Working Drawings) shall be limited to (a) the revisions made to the previous submission of the Final Working Drawings in order to address County's prior objections or changes which are derivative of changes resulting from such prior objections and/or (b) revisions to design elements not previously a part of the Final Working Drawings previously submitted to County. The Final Working Drawings, as approved by Lessor and County, may be referred to herein as the "**Approved Working Drawings.**" County shall make no changes or modifications to the Final Space Plan or the Approved Working Drawings without the prior written consent of Lessor, which consent may be withheld in Lessor's sole discretion if such change or modification would directly or indirectly delay the Substantial Completion of the Work or increase the cost of designing or constructing the Work. Lessor shall promptly submit the Approved Working Drawings to the appropriate municipal authorities for all applicable building permits necessary to allow Contractor as that term is defined in Section 3, below, to commence and fully complete the construction of the Work (the "**Permits**"). County shall cooperate with Lessor in promptly executing permit applications and performing other ministerial acts reasonably necessary to enable Lessor to obtain any such permit or certificate of occupancy. No changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Lessor, provided that Lessor may withhold its consent, in its sole discretion, to any change in the Approved Working Drawings if such change would directly or indirectly delay the Substantial Completion of the Expansion Premises Work.

Bidding. Lessor shall construct the Work in accordance with the plans prepared by County's architect and approved by Lessor in accordance with the Design Problem criteria (anything that adversely affects the structural, mechanical, electrical or fire life-safety systems of the Building). Lessor's contractor shall be the contractor selected pursuant to a procedure whereby the final plans and a construction contract approved by County are submitted to three (3) contractors mutually agreed to by Lessor and County (all of which must have a reputation for quality work, timely performance and integrity). Each of the three (3) contractors shall submit to Lessor a fixed price contract bid to construct the Work. Lessor and County, after adjustments for the inconsistent assumptions to reflect an "apples to apples" comparison, shall select the lowest price bidder and such contractor with the lowest priced bid shall enter into a construction contract with Lessor consistent with the terms of the bid to construct the Work.

SECTION 2. – LESSOR'S BUILDING WORK

Lessor shall, at Lessor's sole cost and expense (irrespective of the allowances defined above), be responsible for all the Building systems being in good working order and shall return the Building to a warm shell condition, County-identified existing improvements removed and demised, and to complete certain lobby, corridor, and common area restrooms with building standard ("**Lessor's Building Work**").

The above defined "Lessor's Building Work" shall be completed concurrently with the Work and is anticipated to be completed on or before November 1, 2026.

SECTION 3. - TIME DEADLINES (AS DEFINED IN SCHEDULE 1)

County shall use its good faith efforts and due diligence to cooperate with the Lessor, its architect, and the engineers to complete all phases of the construction drawings and the permitting process and to receive the Permits, and with Contractor (as defined below in Section 4) as soon as possible after the execution of the lease, and, in that regard, shall meet with Lessor on a scheduled basis to be determined by Lessor, to discuss

the progress in connection with the same. The applicable dates for approval of items, plans and drawings as described in this Section 1, above, and in this Work Letter are set forth and further elaborated upon in Schedule 1 attached hereto.

SECTION 4. - CONTRACTOR'S WARRANTIES AND GUARANTIES

Lessor shall assign to County (on a non-exclusive basis) all warranties and guaranties by the Contractor who constructs the Expansion Premises Work (the "**Contractor**") relating to the Work and pursuant to said assignment, County hereby waives all claims against Lessor relating to, or arising out of the construction of, the Expansion Premises Work. Lessor shall independently retain Contractor, on behalf of County, to construct the Expansion Premises Work in accordance with the Approved Working Drawings and Lessor shall supervise the construction by Contractor.

SECTION 5. - COUNTY'S COVENANTS

County hereby indemnifies, defends and holds harmless Lessor and Lessor Parties for any loss, claims, damages or delays arising from the negligence, acts or omissions of County, its agents, including, but not limited to any space planner, architect or engineer hired by County in connection with the Expansion Premises Work.

SECTION 7. - MISCELLANEOUS

6.1 Freight Elevators. Lessor shall make the freight elevator (if applicable) reasonably available to County in connection with initial decorating, furnishing and moving into the Premises, if applicable.

6.2 Time of the Essence in This Work Letter. Unless otherwise indicated, all references herein to a number of days shall mean and refer to calendar days. In all instances where County is required to approve or deliver an item, if no written notice of approval is given or the item is not delivered within the stated time period, at Lessor's sole option, at the end of such period the item shall automatically be deemed approved or delivered by County and the next succeeding time period shall commence.

TENANT IMPROVEMENT ALLOWANCE

Lessor will complete tenant improvements to the Expansion Premises in accordance with Clause 13 (CONSTRUCTION) of the Lease and Exhibit J. Additionally, Lessor will provide equivalent allowances to the Expansion Premises Work consistent with Clause 13 (CONSTRUCTION) including \$100 per RSF to be used toward construction improvements, \$25 per RSF moving allowance towards furniture, fixtures and equipment (FF&E), relocation costs, cabling and telecommunications with the ability to amortize up to an additional \$25 per RSF over the New Term at an interest rate of eight percent.

ATTACHMENT B

Should County occupy any portion of the Expansion Premises prior to the Phase I CD and/or Phase II CD, Lessor will be entitled to prorata rent based on the period of occupancy and the amount of space occupied, consistent with Clause 9 (RENT).

County will expand into the entirety of the Expansion Premises within thirty-six (36) full calendar months following the Effective Date of this Second Amendment.

RIGHT TO PURCHASE

The County also maintains a right to purchase the Building at a fixed purchase price through May 31, 2029, consistent with the terms of the Lease. The County will have the right to apply any unused allowances towards the purchase price of the Building. The purchase price is further highlighted below:

<u>Purchase Date</u>	<u>Price per RSF</u>	<u>Purchase Price</u>
Prior to 5/31/2025	\$450.00 starting fixed price	\$77,100,000
6/1/2025 - 5/31/2026	\$463.51	\$79,413,000

RIGHT OF FIRST OFFER TO PURCHASE

The County has the ongoing right of first offer to purchase the Building. The ROFO is structured as follows: Landlord will inform County that it intends to market the building for sale. County will have fifteen (15) business days to submit a purchase offer to Landlord for the entirety of the building that Landlord intends to sell. Landlord may accept the offer or advance to a sale process in which Landlord may transact with a third party. If the third party's purchase price terms are more than five percent (5%) more favorable to buyer than County's offer terms, County will have a 'second look' and provide notice within ten (10) business days of its intent to purchase the Building. If County does not timely notice Landlord, Landlord may sell the building to a third party. If the third party offer terms are not more than five percent (5%) more favorable than County's original offer, then Lessor will sell to County at its original purchase offer price.

ALTERATIONS

County may make improvements and changes in the Premises, including, but not limited to, the installation of fixtures, partitions, counters, shelving, and equipment as deemed necessary or appropriate by the County in its discretion following the prior written notice to Lessor; provided, however that if such improvements or changes affect the common Building systems, the structural portions of the Building, or can be seen from the exterior of the Premises, then County will obtain the prior written consent of Lessor (which will not be unreasonably withheld, conditioned or delayed) prior to the performance of the same.

ATTACHMENT B

COUNTY-REQUESTED ALTERATIONS OR ADDITIONAL SERVICES

County may, during the Term of the Lease, request Lessor to make improvements and changes to the Premises as well as request to complete Additional Services to the Premises. All such improvements, changes and any Additional Services requested by County will be made by Lessor, at Lessor's sole cost, and will be reimbursed in a lump sum as Additional Rent by County upon receipt by County from Lessor of a written claim for such reimbursement.

HOLDING OVER

In the event County will continue in possession of the Premises after the Term of this Lease, such possession will not be considered a renewal of this Lease but a tenancy from month to month and will be governed by the conditions and covenants contained in this Lease.
