Overview of the Board of Supervisors

The Board of Supervisors serves as the governing body of the County of Orange and oversees the management of County government and many special districts. The cities and unincorporated areas in Orange County are divided into five Supervisorial Districts. Although the districts vary in physical size, their populations are approximately the same, and each district elects a Supervisor for a four-year term by the citizens of Orange County. Each Supervisor can serve two four-year terms. Terms are staggered so that all districts do not have elections at the same time. These five elected officials comprise the Orange County Board of Supervisors. Every year, the Board elects two of its members to serve as Chair and Vice Chair of the Board. To determine the Supervisorial District in which you reside, visit the [Orange County Registrar](#). Board offices are located in the County Administration North, on Civic Center Drive between Broadway and Ross. The Board's mailing address is 400 W. Civic Center Dr, Santa Ana, CA 92701.

Approval Process for Placing Items on the Board Agenda

All Departments/Agencies shall use the appropriate form as determined by the Clerk when submitting items to be placed on the Board's agenda for consideration. When submitting an item for consideration by the Board, it is the responsibility of the originating Department/Agency to include, at a minimum, the subject of the item, any recommended action(s), a summary of the requested action(s), and related background information. All agenda items, except those filed by a Board member, require review by

the CEO's Office. After appropriate review, the CEO's office recommends approval of agenda items for placement on the agenda. The Clerk, consistent with the Brown Act, will provide a brief general description of the recommendation in the posted agenda sufficient to inform interested members of the public about the subject of the item and the Supervisorial District affected by the action (or All Districts). Please refer to the Board's Rules of Procedures regarding rules for placement of items on Board agenda.

Access Board of Supervisors Agendas and Materials

Agendas are available on Wednesdays, thirteen days prior to the regular Tuesday Board meeting on the Clerk of the Board's website 'Board of Supervisors Meetings'. Final Revised Agendas, including revisions to agendas, supplemental items, continuations and deletions, are posted on Fridays, four days prior to the regular Tuesday Board Meeting. Additional requests to continue or delete agenda items that are received on Mondays and Tuesdays before the scheduled meeting are posted on the 'Agenda Modification'. Members of the public can subscribe to receive Board of Supervisors Agenda E-Mail Notifications at https://service.govdelivery.com/accounts/CAORANGE/subscriber/new?topic_id=CAORANGE_15. E-mail notification is sent when information on the web page has been updated.

Order of Business

Meetings are called to order by the Chair of the Board. Upon commencement, the invocation and pledge are conducted by Supervisors at the start of each meeting following a rotating schedule. The Chair will proceed with the meeting agenda and ask the Clerk to read changes to the agenda and requests from the public to pull items from the Consent Calendar. The Board will state items they wish to pull from the Consent Calendar, then the Chair will call for a motion and second for the approval of the balance of the Consent Calendar. The Chair will call each item that was pulled for separate action and vote. Following the conclusion of the Consent Calendar, the Board will proceed with the remaining business on the agenda.

Summary Action Minutes of the Board

After each Board meeting, the Clerk prepare and distribute Summary Action Minutes (“minutes”) of Board meetings. The minutes consist of the brief statement of each item posted on the final agenda plus all motions, resolutions and ordinance numbers related thereto, all votes recorded thereon, and the final action taken by the Board. The minutes are made available to the public within 72 hours of the meeting and posted on the Internet, and are available at no cost at the Clerk’s Office.

PARTICIPATE IN BOARD OF SUPERVISORS MEETINGS

Guidelines for Speaker Time and Item Sequence

Each member of the public may address the Board on up to three occasions, with three minutes allotted to the speaker per occasion. The Chair retains authority, in his or her discretion, to further reduce the time allotted to each individual speaker if the number of persons desiring to speak would prevent the Board from accomplishing its business in a reasonably efficient manner. If a group of individuals wishes to address the Board on the same topic, the Chair may request that the group appoint a spokesperson to represent them, in order to prevent unnecessary repetition. At the discretion of the Chair, items may be taken out of order. Members of the public who wish to submit documentation to accompany their public comments should bring nine (9) copies for distribution to each Board Member, CEO, County Counsel and the Clerk. Due to information systems security, electronic submissions of public comment supporting documentation cannot be accepted at the Board meeting.

Public Participation in Board Meetings

Register to Speak in-Person at a Board Meeting

Members of the public can register to request an opportunity to speak in-person by using the Orange County Board of Supervisors Speaker Portal. The portal opens one (1) hour prior to the commencement of the meeting. Members of the public have three (3) opportunities to speak.

There are three ways to register:

1. Use the kiosks located outside the Board Room.
2. Scan the QR code on your mobile device which is located on video display outside the Board Room.
3. Visit the Board of Supervisors Meeting Agenda website on a computer or mobile device and click the 'Register' link next to the meeting agenda at <https://board.oc.gov/meetings-agendas>. This will direct you to the Board's Speaker Portal for the selected meeting date, where you can register online to participate in person.

Enter your name when completing the registration. This will ensure you are called to speak by the Clerk. You may use an alias or pseudonym if you prefer. If an email address is provided, you will receive a confirmation email listing the items you requested to speak on, along with instructions for providing comments in person. Interpretation is provided for in-person participants. During the registration, indicate if you would like to request an interpreter and select your preferred language. Requests must be submitted prior to the beginning of the consent calendar, reading of the individual agenda item(s), opening of a public hearing or beginning of public comments. Requests to speak on agenda items that have been continued or deleted are not accepted. Upon your arrival, we request that you check in at the kiosk to let the Clerk know you have arrived. During the meeting, the Clerk will call the names of members of the public to speak. Please approach the podium in the order you were called, standing next to the appropriate arrows marked on the floor. When it is your turn to speak, we request you state your name and city of residence for the record. You will be given three (3) minutes to speak, or a duration as determined by the Chair. The timer on the podium tells you how much time you have remaining to provide comments. Clerk of the Board staff are present outside the Board Room throughout the duration of every Board meeting to help or any questions.

[Register to Speak Remotely](#)

Members of the public can register to request an opportunity to speak remotely by registering on the Orange County Board of Supervisors Speaker Portal. The portal opens one (1) hour prior to the commencement of the meeting. Members of the public have three (3) opportunities to speak. Visit the Board of Supervisors Meeting Agenda website on a computer or mobile device and click the 'Register' link next to the meeting agenda at <https://board.oc.gov/meetings-agendas>. This will direct you to the

Board's Speaker Portal for the selected meeting date to register online. Requests must be submitted prior to the beginning of the consent calendar, reading of the individual agenda item(s), opening of a public hearing or beginning of public comments. Requests to speak on agenda items that have been continued or deleted are not accepted.

When completing the registration, please enter a valid phone number in the registration form using the format: area code followed by telephone number. If you do not provide a telephone number, you will need to speak to a meeting facilitator when you dial into the meeting so they can connect your call to your registered items. This can delay the submission of your request to speak, so it's important to call from the number you entered in the speaker portal. If an email address is provided in the registration portal, you will receive a confirmation email listing the items you requested to speak on, along with instructions for providing comments remotely. Interpretation is not provided for remote participants.

During the meeting, you can listen online, then call in before your agenda item comes up. If you register to speak on multiple agenda items, you can dial in before each one or stay on the line after your first comment and follow the prompts—no need to hang up and call back. When your agenda item is called, in-person participants will be called to speak first, followed by remote callers. When it is your turn to speak, you will hear a prompt advising you that it is your turn, and your mic will be unmuted. The microphone will shut off when your time expires. You will receive an automated message when that occurs.
